

**Clockwise from top left:** At the other end of the living room, the sofa and fringed armchair are also covered in ralli textiles from Xenomania, and the windows are framed by 19th-century silk curtain panels from Peta Smyth Antique Textiles; Cotton devised the tile fireplace surround. The kitchen's light fixture, table, counter, and tile backsplash were designed by Cotton; the range is by Lacanche. The dining room, lined in a Fromental wallpaper, features a George III oak table ringed with chairs designed by Adam Otlewski and custom made by Cotton.
